# EFFORTLESS OPERATION, UNMATCHED DURABILITY

SPRUCE UP'S NEW LINE OF COMPACT ROAD SWEEPERS

DESIGNED IN THE USA. MADE IN INDIA.

[www.spruce-up.in](http://www.spruce-up.in)

# CAPABLE

High-speed can clean an acre in under 10 minutes.  
Wide-area coverage of up to 4000 sq. ft per minute.

Vacuum finish with Spruce Up Air Blaster Technology has all-weather, versatile cleaning for leaves, litter, and debris.

Equipped for diverse cleaning with a high-pressure washer and litter picker.

# EASY

Operate with ease using one-button control and sedan-like easy handling.

Dump easily with 50° tilt, large doors, and rounded corners.

Quick cleaning and maintenance with one-button grill drop-down, single-tool broom adjustments.

# RELIABLE

Engineered in the USA, built in India, with over 500+ point quality control process.

Features world-class parts sourced from around the world and a premium SS hopper lifetime guaranteed.

Comprehensive Pan-India service, Multi-year warranties for cost predictability.

Same-day\* spare dispatch for 30 critical parts. Instant professional video support with Spruce Up Genie. Full training and support via Spruce Up Train Pro.

\*T&C apply

# AFFORDABLE

Premium quality world's best components at competitive prices from Indian production.

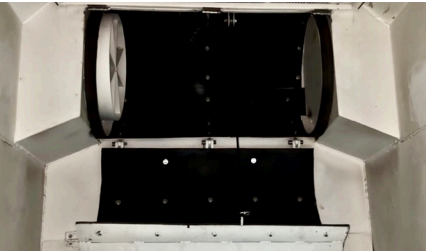

Best Total Cost of Ownership as it reduces long-term expenses with durable, efficient operation.

# CUTTING-EDGE FEATURES AT A GLANCE

*Revolutionary Spruce Up Air Blaster Technology.*

*Efficient Centrifugal Dust Separator.*

*Rear Engine & Rear Head for Ease of Maintenance.*

*Litter Picker for Diverse Litter Collection.*

*Quick Mid-Dump Hopper for Faster Turnaround.*

*High-Pressure Washer for Maximum Cleaning.*

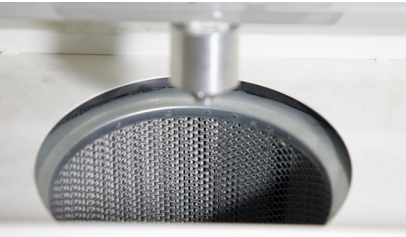

*Simple, Ergonomic One-Button Operation.*

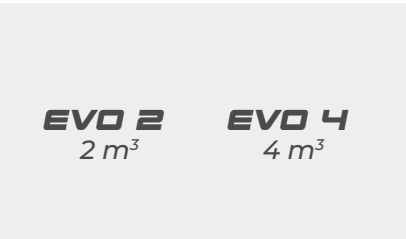

*Ground-Level Dust and Filter Access for Quick Cleanout.*

*PM10 Exhaust Filters for Cleaner, Safer Air Quality.*

*Self-Cleaning Exhaust Filters for Non-Stop Performance.*

*Available in Variants.*

# TECHNICAL SPECIFICATIONS EVO 2

SWEEPING PATH AND SPEED		SPECIFICATIONS
